

# Monmouth Photographic Club Facebook Page – Guidelines

## **Purpose:**

The purpose of the Club's Facebook page is, primarily to promote the Club, and to provide a platform for Member to publish some of their images. To that end, Members are encouraged to post images to the Club's FB page in accordance with the following guidelines.

## **Guidelines for Posting Images**

1. Images posted on the Club's FB Page are subject to review by an Administrator after posting.
2. If there's more than one image of a similar subject/topic please post as a single post with multiple images in it.
3. Only post adverts/events of direct interest to the Photography Club.

## **Guidelines for Commenting on Images**

1. Comments posted on specific images should be positive to provide constructive criticism/feedback only
2. If you have nothing positive to say about an image, then say nothing. Remember that whoever posted the image in question will be happy/proud of it.
3. Any disrespectful comments will be deleted by the Administrator without notice to the person making such comments.

## **Guidelines for removal of Content**

1. The Administrator may remove images/comments from the Club's FB page, which in the opinion of the Administrator breaches the Club's standards and guidelines.
2. If the Administrator considers that an image or comments should be removed:
  - a. with urgency- the Administrator will do so without first contacting the person posting the image/comment; or
  - b. without urgency- the Administrator will first contact the person who posted the image.

## **Grievances**

1. If you have a post removed, then speak to an Administrator (detailed in the members section).
2. If you're unhappy with a decision to remove a post please contact the Committee...and talk about it.
