Pop-Up Events

These are 'planned' but don't have a date due to being outdoors and weather dependent. They will have to wait until Lockdown restrictions allow people to have fun again.

- Light trails on the A40 (taken from the above the tunnel entrances); needs to be after lighting-up time!
- Skenfrith Castle – sunset and/or astrophotography (two events; ~~one in Autumn~~ the other in February-ish).
- M4 Prince of Wales Bridge from New Passage (Redwick on the English side) for early evening and sunset.
- M4 Prince of Wales Bridge from Sudbrook for in the dark.
- St. Mary's Church, Tintern.
- Bluebells in Ash Grove (part of King's Wood overlooking Monmouth) – April 2021.
- Duke of Beaufort Bridge & Monmouth Viaduct.
- Drone flying. ~~Linked to the 05 Mar 21 programme event~~ (location tbc).
- ~~Westonbirt, The National Arboretum (GL8 8QS). This will be a 'day out' in autumn (mid October).~~

If anyone has other ideas then please pass them on.
